ABOUT ME

At the age of 21, I'm working as a design engineer at Hoval AG. I enjoy working on technical tasks and learning how things are made. I especially like it when I can work with team members or customers. It makes the work more interesting and I learn a lot from talking and solving problems together. I would say I'm a Motivated Design Engineer with experience in CAD modelling and technical drawings using CATIA and SolidWorks. In my free time, I play football and I do boxing. Boxing helps me stay focused and clear in my head. It’s important for me to grow and keep learning. I don’t want to stay the same – I want to improve step by step, both at work and as a person.

WORK EXPERIENCE

Hoval AG

City: Vaduz | **Country:** Liechtenstein

[01.08.2024 – 30.06.2027] **Designing engineer**

- Design and development of mechanical components and assemblies using CAD tools (CATIA / SolidWorks)
- Creation and optimization of detailed 3D models and technical drawings for manufacturing
- Development of design solutions for heating, ventilation and air conditioning (HVAC) systems
- Preparation and management of technical documentation, drawings and bill of materials (BOM)
- Ensuring compliance with relevant engineering standards, safety regulations and design guidelines
- Collaboration with cross-functional teams including manufacturing, project management and suppliers
- Participation in design reviews and continuous improvement of existing products and systems
- Supporting product development from concept phase to final production

Hoval AG

City: Vaduz | **Country:** Liechtenstein

[01.08.2020 – 31.07.2024] **Apprenticeship as a Design engineer**

- Creation of simple technical drawings and 3D models with CAD software (CATIA/ SolidWorks)
- Support in the modelling of individual parts and assemblies
- Contribute to smaller design tasks in the field of heating and air conditioning technology
- Processing and maintaining technical documents and parts lists
- Applying technical standards and guidelines under supervision
- Cooperation with trainers to deepen practical knowledge

EDUCATION AND TRAINING

[01.08.2020 – 31.07.2024] **Apprenticeship as Design engineer**

Hoval AG www.hoval.com

City: Vaduz | **Country:** Liechtenstein |

Hoval AG is a company that develops and produces smart solutions for heating, ventilation and indoor climate. Their systems help make buildings more energy-efficient and comfortable.

[2016 – 2020] **Student**

Realschule Triesen www.wst.li

City: Triesen | **Country:** Liechtenstein |

[2011 – 2016] **Student**

Primarschule Triesen www.gstriesen.li

City: Triesen | **Country:** Liechtenstein |

LANGUAGE SKILLS

Mother tongue(s): German

Other language(s):

English

LISTENING B2 **READING** B2 **WRITING** B1

SPOKEN PRODUCTION B2 **SPOKEN INTERACTION** B2

Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

SKILLS

Microsoft Office (Outlook, Excel, Word, PowerPoint) | use CAD software | CAD modelling with Catia V5 | Conventional machining (milling, turning, drilling, grinding) | Basic CNC machine operation | Technical drawing reading and interpretation | Use of measuring tools (calipers, micrometers, gauges) | Workshop safety and quality awareness

VOLUNTEERING

[2020 – Current] **Fire fighter** Triesen, Liechtenstein

Herzlich Willkommen - Feuerwehr Triesen

HOBBIES AND INTERESTS

Hobbies and interests

- Soccer
- Swimming
- Boxing
- Motorcycling
- Spending time with friends

DRIVING LICENCE

Motorbikes: A1
Cars: B
